Hardy Underwriting Group PLC

Hardy Underwriting Group PLC (Hardy) is a specialist insurer / reinsurer operating within Lloyd's of London and Bermuda. It manages and provides the capital to syndicate 382, which was established in 1975. Hardy has an unparalleled record of profitability for more than 30 years.

Hardy underwrites aviation, marine and a broad range of non-marine risks on both a reinsurance and direct basis. It has a strong commitment to technical pricing. Although this can lead to fluctuations in income from year to year, it offers brokers and clients a consistent approach to pricing and excellent security for future claim payments.

It is this underwriting-led approach that has enabled Hardy to build a strong reputation as a respected leader across the portfolio.

Clients are offered a long-term, stable and secure underwriting partner, with prompt claim payments and service excellence being at the heart of the philosophy.

Presidio Reinsurance Management, Ltd. has a strategic partnership with the Hardy Underwriting Group PLC to write A&H insurance and reinsurance on a world-wide basis.
