

PRESIDIO

## Press Release

### Marcia McKinney to Lead Reinsurance Marketing

SAN FRANCISCO, CA, May 27, 2008 Presidio Excess Insurance Services, Inc. is pleased to announce Marcia McKinney has been promoted to Vice President, Reinsurance Marketing and Administration. In her new and expanded position, Marcia is responsible for directing the marketing efforts and providing strategic leadership for Presidio's medical reinsurance programs. She will work closely with the reinsurance underwriting team on both current and new business initiatives. Additionally, she will continue to direct medical reinsurance administration, as well as participate in Presidio's broader marketing strategy.

Dennis Heinzig, President and CEO said, "Marcia has been instrumental in the substantial growth our medical reinsurance program has enjoyed over the past few years. In her new role, we expect even greater things as she continues to deploy her significant experience and expertise to further expand our presence in the medical reinsurance market, as well as contribute more broadly throughout the company as a leader in our marketing strategy."

Rich Mezzano, Assistant Vice President and Director, Medical Reinsurance said, "I am delighted to continue to have Marcia as part of the reinsurance team in this expanded role. Her leadership and experience will be essential to achieve our exciting growth plans, building on our past successes to which she has contributed greatly."

"I look forward to continuing the work that we've started in medical reinsurance and to expanding the program to the next level, as we see a lot of opportunity in this space," stated Marcia McKinney. "In this new role, I'm excited to be contributing to both medical reinsurance, and also more broadly to Presidio's overall marketing strategy."

PRESIDIO

### **About Presidio**

Presidio Excess Insurance Services, Inc., a member of the Presidio Reinsurance Group, is a market leader providing medical insurance and reinsurance products and services addressing the opportunities and challenges experienced by insurance companies, HMOs, managed care organizations, healthcare systems, hospitals, medical groups and employers.
