

PRESIDIO

## *International Medical Program*

*Ineffective national health care systems along with the rapidly growing number of individuals choosing to work and live overseas have increased the demand for quality international healthcare coverage. Our International Medical programs provide coverage for medical and ancillary benefits to both individuals and small to mid-sized organizations. We have the skills and experience to support the tremendous growth and demand for effective, high quality healthcare programs throughout the world.*

### **PROGRAM FEATURES:**

- Covered entities include international insurance companies and employers
- Individual and Group coverage
- Available internationally
- Primary and Excess coverage
