

PRESIDIO

Life Catastrophe Reinsurance

The world has become more unpredictable in recent years. In this environment, understanding your exposure to multi-life catastrophic events is critically important. We have the experience and the comprehensive analytical tools to identify the risks and develop the most effective solutions. We begin with a broad-based assessment, identifying and evaluating multiple risk factors. Our extensive underwriting and actuarial analysis provides our clients with an understanding of their catastrophic exposure and how to effectively limit that risk. Our goal is to provide financial peace of mind, enabling our clients to focus on what they do best.

PROGRAM FEATURES:

- Covered entities include insurance and reinsurance companies
- Available internationally
- Deductibles and limits to fit each client's needs
- Excess coverage
- Risk attaching and losses occurring options
