

PRESIDIO

Personal Accident

We live in a time when the types of risks we face are more diverse than ever. As a result, the "one size fits all" solution to accident risks no longer applies. Instead, our focus is on finding comprehensive and customized solutions to meet the client's needs and expectations. Our expertise and experience allow us to design innovative and effective accident products and programs which provide financial stability for our clients.

PROGRAM FEATURES:

- Covered entities include employers, affinity groups, insurance companies, and captives
- Individual and Group coverage
- Available internationally
- Individual and overall program limits are customized for each situation
- Primary and Excess coverage
- Risk attaching and losses occurring options
